The DVD contains a feature previously examined and classified in video format by the Office of Film and Literature Classification. The video recording *Amanda's Diary Chapter 3* was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was registered on 13 October 1999.

The DVD has additional components, including a menu, which contains options including scene selection, languages, subtitles, extra materials and play movie. The extras menu contains a cast list, a photo book (containing 17 photos), production notes, a "Trailer" and other titles (five trailers).
